

## INSTALLATION INSTRUCTIONS

### MICROSOFT OFFICE 2019 HOME & STUDENT

#### 32 & 64Bits

##### Systemvoraussetzung:

Windows 10, Windows Server 2008 R2 or Windows Server 2012

1 gigahertz (GHz) or faster 32-bit (x86) or 64-bit (x64) processor\*

1 Gigabyte (GB) RAM (32 bit); 2 Gigabytes (GB) RAM (64 bit)

3.0 GB free disk-space

DirectX10- compliant graphics with a resolution of 240 x 576 Pixel

**Please take notice:** Please note the following: The key is a prepaid code that is not compatible with preinstalled software. It is an original Microsoft product.

**RECOMMENDATION:** Uninstall any previous version of Office that you have installed on your computer and restart your PC again. This is important to avoid compatibility problems.

Please take note of the following guidelines:

1. Download: Download the desired version from the following download link:

[Download](#)

2. After the download Burn the file into a DVD or copy it into a USB device.

Note: If you do not want to create a DVD, you can use the following freeware to emulate\* a drive:

[Wincdemu](#)

**Install Office and introduce the Product Key.**

## INSTALLATION INSTRUCTIONS

**3. Online Aktivierung** Proceed with the ONLINE activation. If needed please try it 2-3 times.

**4. Phone activation** If the Online activation did not work please activate your key by telephone: From USA and Canada: (888) 352 7140 / outside USA and Canada: (716) 871 2781 From United Kingdom: (0) (800) 018 8354 outside UK: +44203147 4930 Dialing the telephone number corresponding to your country, you will be answered by an automatic answering machine. Please, try it several times; sometimes the machine does not work good.

*\* Emulate: A part of the system can be simulated, instead of starting the installation from a real DVD drive, the installation of this virtual drive can be started. This drive appears under "This PC" as a new drive. For the installation of the software on several devices, the installation of DVD is of course recommended.*

***We wish you a successful installation. If you still have problems or questions about the installation, please contact our customer service at any time. We will help you as soon as possible.***
